**INDIRA GLOBAL SCHOOL OF BUSINESS**

# **PROSPECTUS 20 25**

**Unlocking Potential, Creating Opportunities**

## Preface

At IGSB, which aims for excellence, the possibilities are endless when it comes to management education. Numerous possibilities are provided for students to reach their full potential and rise to the top of their respective industries. IGSB creates graduates who are prepared to make an impact because of its emphasis on quality. With a focus on how ideas can be used in the business world, the curriculum is up to date. Students get the theoretical knowledge and practical skills required for success in the workplace. In order to prepare the students for the realities of the workplace, the instructors—who are a mix of working professionals and intellectual teachers—share their knowledge and experience with the students in the classroom.

Being a premier management school, IGSB goes above and beyond typical classroom training to give students the skills they will need to thrive in the corporate world. Among the prospects are scientific research, business partnerships, and internships. The purpose of Last Mile Support is to help students find work and advance their professional abilities. Future leaders are produced by IGSB. It instils in its students the values of integrity, morality, and community duty. It encourages pupils to think creatively, communicate effectively, and collaborate with others. By fostering a supportive learning environment, this institution helps its students develop their leadership abilities.

Students that enrol in IGSB, one of the top management schools dedicated to excellence, can realize their full potential and change their industry by seizing the chances that are available to them, an ecology where practical application and intellectual quality coexist. We offer an unmatched setting for both professional and personal development thanks to our esteemed professors, talented and varied student body, and global network of notable alumni.

"Joining IGSB was a game-changer for me. The experiential learning approach, combined with industry mentorship, helped me secure a managerial role at Marico within months of graduation. The institute's focus on innovation and strategic thinking gave me the confidence to drive impactful change in my career."

— Shashank Mishra, Assistant Manager, Deloitte India

With a distinguished faculty, state-of-the-art infrastructure, and a curriculum that bridges academia with industry, IGSB is more than an educational institution—it is a launchpad for success. We invite you to be part of this transformative experience and take the first step towards building a future of leadership and excellence. Come along with us at IGSB to start a life-changing adventure that will influence your future, inspire your goals, and prepare you for success!

"Discover the path to boundless horizons."

## Chairperson & Chief Mentor Message

**DR. TARITA SHANKAR**

Chairperson & Chief Mentor  
Indira Group of Institutes, Pune

Hi Friends!

"At our core, we believe in shaping leaders who possess the character to inspire, the competence to excel, and the courage to transform the world. Our mission is to nurture individuals who stand tall with integrity, lead with innovation, and drive change that leaves a lasting impact. Together, we aim to build a generation of change makers who redefine possibilities and lead the way into a brighter future."

In today's fast-paced and ever-evolving global landscape, the challenges we face require leaders who are resilient, empathetic, and visionary. Our mission is to nurture individuals who lead with integrity, grounded in strong ethical principles, and inspire trust in those they serve. We cultivate competence by equipping our leaders with the skills, knowledge, and adaptability to excel in any domain they choose to pursue.

We at IGSB, do not aim to teach you the ruthless predation of the Masters of the Universe, but to transform each of you into a day-one business-ready manager or entrepreneur who can deliver and contribute as soon as you step into your roles, buoyed by a spirit of competitive cooperation and armed with an interlocking interdependent body of knowledge and a spirit of lifelong learning – self-motivated pursuits as well as peer learning in a group teeming with the diversity of region, experience, educational backgrounds that will finally create the ideal Indiraite!

## Message by Director (IGSB)

**DR. VIRENDRA TATAKE**

Director  
Indira Global School of Business

From the Director's Desk

Dear Aspiring Business Leaders,

It gives me immense pleasure to welcome you to Indira Global School of Business (IGSB), a distinguished institute operating under Shree Chanakya Education Society.

At IGSB, we believe that every student carries within them the potential to become an extraordinary business leader. Our mission is to unlock this potential through a carefully crafted blend of academic excellence, practical exposure, and personal development opportunities. Drawing upon the rich legacy of Shree Chanakya Education Society and the established reputation of the

Indira Group of Institutes, we bring decades of educational expertise to shape your professional journey. What sets IGSB apart is our unwavering commitment to creating opportunities that extend beyond traditional classroom learning. Our industry-integrated curriculum, developed in consultation with business leaders and academic experts, ensures that you stay ahead of the rapidly evolving business landscape. Through our extensive network of corporate partnerships, we provide unparalleled exposure to real-world business challenges and solutions. Our state-of-the-art campus has modern learning facilities, including advanced computer laboratory, a comprehensive library, and smart classrooms. However, our true strength lies in our distinguished faculty members who bring a perfect blend of academic excellence and industry experience. They serve not just as teachers, but as mentors who will guide you through your transformation from students to business professionals.

We understand that in today's competitive world, theoretical knowledge alone is insufficient. Therefore, we have incorporated various innovative learning methodologies including case studies, business simulations, industry projects, and industry exposure programs. These initiatives are designed to develop your analytical thinking, decision-making abilities, and leadership skills.

At IGSB, we don't just focus on academic excellence; we emphasize holistic development of our students. Our students' clubs, leadership workshops, and personality development programs ensure that you graduate not just with a degree, but with the confidence and capabilities to succeed in the global business arena.

As you consider joining IGSB, remember that you're not just choosing an institution; you're choosing a partner in your journey toward excellence. Under the aegis of Shree Chanakya Education Society and as part of the Indira Group of Institutes, we are committed to providing you with the platform, resources, and guidance needed to transform your aspirations into achievements.

I invite you to be part of this transformative journey at IGSB, where we unlock potential and create opportunities, every single day.

Warm regards,  
Director  
Indira Global School of Business

### Network Resources

Leased Line and Wi-Fi facility is available on campus for seamless connectivity for users. One Drive which is a Microsoft's service for hosting files in the “cloud” Office Online services, is also available for all Outlook users. Through this facility, files can be synced to a PC and accessed from a web browser or a mobile device, as well as shared publicly or with specific individuals.

### Smart & Virtual Classroom

IGSB Classrooms now opting for smart classrooms, aiming to provide students with interactive, engaging, and modern learning experiences. The idea is to leverage technology such as projectors, interactive whiteboards, audio-visual aids, and internet-enabled devices.

## Language Lab

The language lab interactive courses provide a very different experience from the traditional system of teaching and learning English, offering more advanced features and functionalities. The lab offers the students a structured e- learning environment to practice English in an entertaining and interactive way to acquire the main language skills such as listening, speaking, reading, and writing.

## Library and Information Services

The library at your institute is a comprehensive resource center with over 3,167 titles, 8,952 volumes, 28 journals, and 4 magazines. It offers access to online databases like Delnet and J-Gate, and uses Koha software for efficient operations. The library has adopted digital resources, purchasing 237 e-books of popular publications and being a member of organizations like Jayakar Knowledge Resource Centre SPPU and NDLI. Library hours are offered for students to connect

with the library and its resources. A dedicated multimedia section with 10 machines equipped with audio-visual facilities allows patrons to access the internet, watch educational videos, and listen to academic content. The library has also created a Digital Library portal to support modern academic needs and promote creativity.
